Want to Spotlight your business or organization to your fellow Hazel Dell Salmon Creek Business Association Members?

Let's get to know each other better! We have businesses who have been members for a long time and many who are relatively new to our association. Starting with the April monthly meeting, we have introduced a new element. At the beginning of the monthly meetings, we will have two member businesses give a short seven minute talk about their business and/or a special event they are hosting or participating in. It is our hope that this addition to our regular programs will be helpful to members, old and new, and encourage more networking after the meetings. This will also give us the chance to get to know our local businesses and community members.

Please contact Ila Stanek to put your business on the schedule for coming months 360-573-7376 or ilastanek@hotmail.com.
Thank you.

The Walking School Bus needs volunteers!
from Julie Parkes

I am a volunteer at Sacajawea Elementary School. 2 years ago we started a program to help families and parents. It's called a Walking School Bus. If you're not familiar with it, a Walking School Bus is like the big yellow bus only instead of tires, we use our feet. It gives the kids and parents who live within the walking zone (1 mile of school) a healthier and safer option than driving them to school or them walking alone.

This year because of budget cuts, the school transportation budget has been cut. So the walking routes have been expanded and a third route has been added. We are desperate for volunteers. In the morning we walk from 7:20 - 8am. Afternoon will be 2:50 - 3:30. We don't need volunteers to walk every day. Even walking as little as once or twice a month would be a help. If you could please spread the word of our need we would appreciate your help very much. Anyone interested, please go to Sacajawea, fill out a volunteer form and let them know you are interested in the walking school bus. Your help can really make a difference.
